JOURNEY WITH JONAH

Current Message Series: April 11 -May 31

During this series, the teaching will come from the book of Jonah. The most recognizable portion is Jonah running from God, getting swallowed by a big fish, and then vomited up onto dry land. As crazy as it might sound, the story of Jonah is all of our stories. Each of us can look back at some point in our lives where we have attempted to run from God. Many of us have discovered that while we can run from God, we can't outrun God! Let us rediscover the epic grace of God for each of us and God's greater purposes in the world.

HELP US SPREAD HOPE

Select Saturdays | Volunteers Needed

Upcoming Cafe Dates: March 27, April 10 & 24

Twice monthly on Saturdays (usually the second and fourth weeks) we serve a meal to families, veterans, and the under-resourced within Genesis and our broader community. We're seeking consistent volunteers and meal sponsors to help. We need a few volunteers to help set up, make to-go coffees, distribute the meal, and clean up. Meal sponsors purchase food, prepare the meal, make takeaway boxes, and run the kitchen. The time commitment is from 10:15 am-1:00 pm. Email [Cristina Ike](#) if you or your group are interested in helping!
