

Genesis Family,

We understand that concerns about COVID-19 (coronavirus) have been escalating around the world - and we have recently learned of many cases reported in the state of Michigan. As a precaution, we are doing all that we can to protect our community and create an environment where you continue to be safe. With the Elders approval, we will be suspending our in-person church gathering through the end of March.

John 14:27 "I leave the gift of peace with you—my peace.  
Not the kind of fragile peace given by the world, but my perfect peace.  
Don't yield to fear or be troubled in your hearts—instead, be courageous!"

Our prayer is that we would protect the most vulnerable in our community and that we would experience the peace of God, amidst rising anxiety and fears.
