

March 31st 2021,

Due to our current Covid Community numbers (59) we are pivoting our service option at this time. We will be pausing in-door services until the numbers decrease to a level that is deemed safe based on our Genesis Covid Safe Building Criteria. Our Church leadership utilizes these criteria along with protocols in place to guide our worship method decision and will continue to hold to these to protect the most vulnerable members of our community.

### Services for the weekend of April 2nd - 4th

**Good Friday Service** at 6:00pm in the Genesis Parking Lot (please dress accordingly)

**Easter Sunrise Gathering** at 7:00am in the Parking Structure on 11 Mile.

**Easter Sunday Service** at 10:00am on Zoom & Facebook LIVE

While we understand many members of our community have been fully vaccinated, there are still *many* staff and volunteers who have not. At this time, with their care in mind it is best that we temporarily pivot our services back to zoom. Thank you so much for your patience and grace as we navigate this pandemic together.
